Meet **Laura Curran**, Founder of Style By Lu @Stylebylu,
A Women In Biz Network Member

Joining the Women In Biz Network has made a positive impact on my business. Not only am I receiving great press; but I am growing my Twitter & Facebook followers, have access to member only business resources and I am meeting influential women who have the entrepreneurial bug just like me. This first month with Women In Biz Network has already made a significant impact - that I can't wait to see what an entire year can do!
